meet these needs, it would not surprise me that the federal government might start taking a look into this matter. I think we are trying to be reasonable and not trying to ask the state to pick up all the costs of these school buildings. I think the citizenry is willing to do it themselves so I move for the advancement of LB 10 to E & R Initial.

SPEAKER: All those in favor of advancing the bill vote aye, those opposed vote no. Have you all voted? The clerk will record, Senator Mahoney voting no.

CLERK: 28 ayes, 2 nays, 19 not voting, Mr. President.

SPEAKER: I declare the bill advanced. We are now ready for LB 141. I believe that is Senator Wiltse's bill. Are you prepared to take that up, Senator Wiltse. The clerk will read the title.

CLERK: Read title. LB 141. There are committee amendments, Mr. President. Read.

SPEAKER: Is Senator Carstens here? If not, does some other member of the committee wish to move for the adoption of that amendment.

UNIDENTIFIED: Mr. Chairman, I'll move for the adoption of the amendment.

SPEAKER: It has been moved and seconded that the amendment be adopted. Mr. Clerk, did you want to read that amendment again for the--

CLERK: The amendment is rather long, Mr. President, but the only change in it is that a new section to the bill to amend also Section 8-823 and would strike 85 months and insert 121 months which would conform to the basic bill.

SPEAKER: Any discussion on that, if not, all those--Senator Wiltse, did you have something to say about the amendment?

SENATOR WILTSE: The amendment includes the privilege the individual may have of paying in advance a fourth of the obligation he has and demanding a receipt from those receiving the money so that he can prove what has been accomplished. Also, it covers that the bank shall not take a lien on any real estate as security for such a loan. I move we pass it to E & R.

SPEAKER: All those in favor of adopting the amendment say aye, opposed no. The amendment is adopted. Are there further amendments, Mr. Clerk.

CLERK: None, Mr. President.

SPEAKER: Senator Wiltse.

SENATOR WILTSE: This bill relates to personal loan law and simply extends the time for the payments from 85 months to 120 months. The purpose of this in particular is to cover the problem that we have had up to the present time of some temporary homes in various localities of the state and is to aid in the financing of mobile homes to be occupied by individuals on a more or less temporary basis and puts them in a category similar to real estate loans. I move the advancement of the bill as amended.

SPEAKER: Senator Wiltse has moved the advancement of the bill. Is there further discussion? If not--Senator Whitney.

SENATOR WHITNEY: Mr. President, I have a question of Senator Wiltse.

SPEAKER: Senator Wiltse, do you yield?
